

NORTHEASTERN CONFERENCE
OFFICE OF PERSONAL MINISTRIES
SPIRITUAL EDUCATORS VERIFICATION FORM

The office of Personal Ministries within the Northeastern Conference seeks to train and equip our members to provide excellent service in the area of Spiritual Education. As such, those seeking to become Spiritual Educators (Bible Workers) are required to take a twelve hour course. Upon completion of this course, the student is also required to demonstrate their ability to perform by putting into practice what they have learned. Within two years of graduation, the following requirements are to be completed.

1. With God's help, lead at least one soul to Christ in Baptism
2. Be a Lay Bible Worker in two crusades or seminars
3. Give ten Bible Studies
4. Complete Ellen White's Book, "Christian Service"
5. Recruit two other church members to do Bible studies with them
6. Attend 65% of their "District Leader Meetings"

A final step in this process is for the student to dialog with the Pastor/Evangelist that they worked with regarding their performance. Following this, the Pastor/Evangelist will verify that the student has completed and met all the requirements.
